

How to sign up for Pyramid webinars:

For Analyst or Professional license type:

The screenshot displays the BI Office Tutorial Center interface. At the top, a navigation bar includes links for Home, Help, Support, **Webinars** (highlighted with a red arrow), Community, and Basic UI. Below this, the main content area is divided into two sections: 'Pyramid Dashboard' and 'Program Review'. The 'Pyramid Dashboard' section features a 'Pyramid Dashboard' story board and a 'Pyramid SSRS Reports' section. The 'Program Review' section displays various charts and tables, including 'Fort Lewis College - First Time Freshman Retention and Graduation Rates', 'FJC Cohort Retention (Year) Full Time Fresh', 'FJC Cohort Retention (Year) Full Time Fresh with CB', 'FJC Cohort Graduation Cumulative Rate', 'Fort Lewis College Degree Awards Trends', 'Degree Awards Trend by School', and 'Degree Awards Trend by Department'. At the bottom of the page, a 'Getting Started' section provides a list of tutorials, including 'Build a New Data Model in BI Office', 'Build a Basic Report', 'Building a Story Board in BI Office', and 'Publications in BI Office'. A red arrow points to the 'Webinars' link in the top navigation bar.

For Consumer license type:

The image displays the BI Office interface, which is divided into two main sections: a dashboard and a tutorial center.

Dashboard: The top section features a navigation bar with tabs for Favorites, Recent, Personal, Group, Public, Alerts, and Publications. Below this, a grid of report thumbnails is shown, each with a title, creation date, and star rating. The reports include:

- Pyramid Dashboard (Created On: 3/23/2017, 5 stars)
- Program Review (Created On: 3/22/2017, 4 stars)
- Class Utilization (Created On: 3/22/2017, 4 stars)
- Admissions Report Test (Created On: 3/22/2017, 4 stars)
- Budget Reports (Created On: 3/22/2017, 4 stars)
- Admissions Executive... (Created On: 3/21/2017, 4 stars)
- Board Reports (Created On: 3/20/2017, 4 stars)
- Grades (Created On: 3/20/2017, 4 stars)
- Foundation Dashboard (Created On: 3/20/2017, 4 stars)
- Donation Analysis (Created On: 3/17/2017, 4 stars)
- Pledge Analysis (Created On: 3/17/2017, 4 stars)
- Gift Reports (Created On: 3/17/2017, 4 stars)

- Class Utilization (Created On: 3/9/2017, 4 stars)
- Program Review (Created On: 3/1/2017, 4 stars)

Tutorial Center: The bottom section is titled "BI Office TUTORIAL CENTER" and includes a navigation bar with icons for Community, Help, and Webinars. Below this, a row of colored icons represents different tutorial topics: Getting Started, Data Model, Data Discovery, Story Boards, Publications, Management, Mobile & Tablets, and Power BI. A red arrow points to the "Webinars" icon in the navigation bar.

The main content area of the tutorial center provides a "Getting Started" playlist, which includes a video titled "Build a New Data Model in BI Office". This video is described as a step-by-step guide to building a new data model from scratch, using an Excel spreadsheet as a data source. It also mentions that the video is for analyst and professional users only and includes a source spreadsheet as a resource. Below the video description, there are links to "RESOURCE FILES" and a "Data Model Quick Start Card".

Other tutorial topics listed include "Build a Basic Report" (a 3-minute video on building a basic report with a grid, chart, and slice) and "Building a Story Board in BI Office" (a video on building a story board using content from the Data Discovery process).

At the bottom, there is a section titled "Publications in BI Office" with a video icon.
