

# Typography

The typefaces listed here are approved for use as support typography for advertising, marketing, publications, signage, etc. They have been chosen for their compatibility with the Fort Lewis College signature. All weights, (regular, bold) and versions (condensed, expanded, italic) may be used.

The consistent use of these recommended fonts will help establish typography as a recognizable Fort Lewis College brand identity element while reinforcing a unified family appearance among communication materials. In situations where the recommended fonts may not be available, Arial and Times Roman may be used as substitutes.

On stationery and office forms, Galliard is the the primary font. Futura should be used for headlines and titles, on print pieces such as brochures, while Univers and Galliard should be used for body copy. Futura should also be used as the primary font for signage. Century Schoolbook can be used for signage applications where it is already the set standard.
