

# Student Housing & Conference Services Residence Director Position Announcement 2009-2010

Position Available:

**Fort Lewis College; Durango, Colorado**

## **Residence Director**

Live-in position includes supervision of students and resident assistant staff, program development, academic support, administrative management and a demonstrated commitment to multiculturalism and student development. BA or BS degree AND experience working with college students is **REQUIRED**. Previous collegiate residence hall experience preferred. Available openings in apartment communities and traditional residence hall communities.

Residence Directors work as Conference Liaisons in the summer. Collateral assignments advising student groups and serving on campus and departmental committees are available as additional professional development experience. Residence Directors also have opportunities to work with departmental community service projects.

12-month position, \$25,000-\$26,500, furnished apartment, unlimited meal plan when dining services available, and full employee benefits package.

For a complete description, please see our website at [http://www/prospective\\_students/housing/residence\\_director\\_search.asp](http://www/prospective_students/housing/residence_director_search.asp). Positions available July 2009.

FLC is a state supported, four-year, undergraduate, liberal arts institution located in the San Juan Mountains of Southwest Colorado.

To apply send the following to: Residence Hall Director Search Committee, Student Housing & Conference Services, 1000 Rim Drive, Durango, CO 81301-3999 or email to [latimer\\_1@fortlewis.edu](mailto:latimer_1@fortlewis.edu).

- Cover letter
- Resume
- One-page statement about a challenging experience you have had working with college students (please discuss what you learned and how this influenced your approach in working with students)
- Contact information for three current professional references

Applications received by February 20, 2009 will receive full consideration. The search will remain open until finalists are identified.

Official college transcripts will be required of semi-finalists.

People from under-represented groups are encouraged to apply. FLC is an EEO/AA employer committed to diversity in its people and its programs.
