**Section I: Degree/Program Requirements**

A. Institutional graduation requirements for this degree program.

The graduation requirements for a transfer student pursuing this major are no different than the graduation requirements for a native student, including the minimum number of semester hours required for graduation. Specifically, the student must meet the following requirements:

- Complete at least 120 credit hours;
- Successfully complete the required coursework in the major (may be a combination of prior college and FLC courses);
- Successfully complete any auxiliary requirements (may be a combination of prior college and FLC courses);
- Successfully complete two Fort Lewis College *Education for Global Citizenship* (EGC) courses;
- Successfully complete at least 45 upper division (300/400 level) credit hours;
- Earn a minimum 2.0 Cumulative GPA in courses taken at FLC, as well as a minimum 2.0 GPA for those courses taken at FLC accepted to meet the requirements for the major and any minor course of study.
- **Because of major and upper division requirements, students transferring with an AA/AS under the 60/60 program will need to complete a minimum of 65 credits at Fort Lewis College.**

B. Required courses in Major, including pre-requisites and any required Support Courses in the chart below:

**COMMUNITY COLLEGE REQUIRED COURSES:** Required courses to be taken as part of AA/AS degree prior to transfer:

FLC Bio 112 Intro to Organismic & Evolutionary Biology (4) = Bio 112 General Bio II (3)

## Section II: Transfer of Credit

- A. Grade Eligibility.  
Only academic courses with a letter grade of "C-" or better are transferable. Courses with grades of "F", "D", "IP", "I", "S", "U", "AU", and "Z" are not transferable. Fort Lewis College will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better.
- B. Fort Lewis College accepts scores of 3 and above on advanced placement tests and scores of 4 and above earned on international baccalaureate tests.
- C. Fort Lewis College will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.

- D. Fort Lewis College may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.

### **Section III: Appeals Process**

- A. Institutional Appeal Process

Students who follow this agreement shall have the right to appeal a transfer decision that appears to be inconsistent with the terms and courses listed in this agreement. Appeals pertaining to this transfer guide should be filed with the institution. A student may file an appeal that pertains to state guaranteed general education courses directly to CCHE.

- B. State Appeal

For information on the student appeal process, refer to the CCHE Student Appeal Policy at: <http://www.state.co.us/cche/students/appeals.html> or <http://www.state.co.us/cche/policy/newpolicies/i-partt.pdf>

This transfer guideline is effective as of the date it is published on the Fort Lewis College Website.
