Get ready to celebrate the opening of our new Academic Hub! This upcoming week, we will hold a festive **Academic Hub Grand Opening on Thursday, February 3, noon-3:00pm, Reed Library, featuring Hub tours, prizes, and games.** What is the Academic Hub and what does it hold?

- **The Academic Hub is a lively space of student success, support, and inspiration, including:**
 - Peer Education Center
 - Career Services
 - Success Coaching
 - Mentorship Circle
 - Circle Back program
 - Undergraduate Research Center
 - Writing Studio
- **The Academic Hub also includes these exciting new student-centered spaces:**
 - Professional Development Space (the "Dev Space")
 - Career & Life Design Center
- **Don't know what these spaces and programs are? Stop by to learn more!**

All week long, leading up to the Grand Opening, we will hold **SQUAWK?! (Skyhawk QQuestion & Answer Week)** **tabling on the balcony of Reed Library, Monday-Thursday, noon-2:00pm, featuring information, stickers, swag, and refreshments.** SQUAWK?! is a new start-of-semester tradition, encouraging students to ask questions and learn about all of the student support services FLC offers. We want students to use everything from Skyhawk Station to the Counseling Center to Disability Services to TRIO (and more). This week, SQUAWK?! will answer questions, circulate the attached flyer (a handy list of student resources), and give students a preview of the Academic Hub.

Stop by SQUAWK?! and the Academic Hub this week--come join in the fun!
