Dear Families,

Through the City Market CARES program, each time you use your City Market Value Card, the Campbell Child & Family Center will receive a percentage of the purchase price at no extra cost to you.

Since March 5, 2014, the City Market CARES program has been replaced with *City Market Community Rewards*. Participating organizations are now listed online. Rather than entering your 10-digit value card number, you must enroll at

www.citymarketcommunityrewards.com

Please revisit the website and follow the instructions below. This is a rewarding way to raise funds for our center and it doesn't cost you anything. The funds help purchase supplies and materials to provide enriched learning activities for your children. If you don't have a value card, you can get one at City Market.

Questions? Call the center at 247-7679.

Sincerely,
Peggy Ferguson, Director
