SPOTLIGHT PROGRAM

Elephant in the Room, Directed by Theresa Carson

Join us for a conversation about important issues that could come up in college. This has been the top rated program for first-year students for the last three years.

*Please note: Not all circumstances depicted in this production are common at FLC. Although most of these issues will probably not happen to your student, it is a possibility and perhaps their classmate, friend, or roommate is dealing with one of these issues. We hope that you will respectfully engage with this production, learn something new, and take care of yourself.

Mandatory Housing Informational Session - Come and discuss important issues that every family member should know about campus housing, resources, emergency procedures, and expectations.

Student Success - Hear from faculty and staff about some tips on how to be successful this year.

Student Panel - A panel of students will share their experiences at FLC through a facilitated question and answer session.

Tree Planting & Passport Drawing - Watch your student's class tree be planted and see who wins the \$500 scholarship!
