Each year a new Moodle *instance* is created. Each instance contains all the content for the full academic year beginning in the fall. For example [http://moodle2010.fortlewis.edu](http://moodle2010.fortlewis.edu) contains all the course data for fall 2010, winter 2011, and summer 2011. Here is a listing of all previous Moodle instances.

1. [http://moodle.fortlewis.edu](http://moodle.fortlewis.edu) – contains all current course content.
2. [http://devmoodle.fortlewis.edu](http://devmoodle.fortlewis.edu) – development site, use this site to development course content

Individuals listed as students, teachers or non-editing teachers in the course will have access to the course content.
