**Instructions:**

1. Now that you've identified some specific careers related to your interests it is time to find more information about those jobs.
2. Go to <https://secure.collegeincolorado.org/> and log into your account.
3. Click on the tab labeled "Career Planning" and then click on the link in the second box labeled "Explore Careers"
4. Use the search box on the middle of the page to search for some of the careers that you identified on the front of this worksheet and find the following information about each career.
5. Then go to <https://www.onetonline.org/> and use the search box at the top right side of the page to find more information about each career, including any information not available on College in Colorado.
