

Fort Lewis College * Recreational Services * Club Sports Program

Visiting Team Information

Welcome to Fort Lewis College. We hope you find the following information useful and helpful during your travels to Durango.

The student officers and leaders from each club are your main source of communication for all event related information and logistics. However, our staff is also here to assist you.

In addition to the contact information for student-athletes on the FLC team you are playing, you may contact the Club Sports Coordinator if you need assistance:

Services

Certified Athletic Trainers will be present at Men's and Women's Rugby, and Men's Lacrosse games. When Trainers are available, we will also make every attempt to have them at Men's and Women's Soccer games. The ATC is present for injury evaluation and emergencies only. Should your team need pre-game taping, you must supply your own tape and other supplies, and ask the ATC present if they have time. The ATC has the sole discretion to perform or decline this service.

For the sports listed above, we will staff those games with a student employee (Field Supervisor) that is trained in First Aid, CPR, and AED. The Field Supervisor will also have water and ice available. Ice bags will be available to injured athletes.
