The U.S. Department of Education has flagged your FAFSA application for "Unusual Enrollment History" review because you have received Federal Pell Grant and/or student Direct Loan funding at multiple schools during the past four years. This flag requires the student to submit an Unusual Enrollment History appeal to the Fort Lewis College Financial Aid Office listing whether you earned credits during the terms you received Federal Pell Grant and/or Student Direct Loan funding, or by explaining why you did not earn any credits during the term(s) you received Federal funding. Any future Federal financial aid you will receive is dependent on an approved appeal through the appeals process.

The Financial Aid Office will use the information provided by you to determine the outcome of the appeal. It is your responsibility to provide a complete and accurate application. We will email the appeal decision to your Fort Lewis College email address.

<u>How to Appeal:</u>

Step 1 - Complete the following table related to the school years 2018-2019, 2019-2020, 2020-2021, and/or 2021-2022, in which you attended.

Name of School	Dates of Term of Attendance	Did you earn at least one academic credit during this term? (Yes/No)

Step 2 – Along with this form submit:

- Any official college transcripts, if you have not supplied all your official transcripts to the Admission Office already. These must be received by that office before this appeal form can be reviewed;
- An appeal letter, if you did not earn any credits, describing in detail the circumstance(s) involved that prevented you from earning any credit during the term(s) you received Federal Pell Grant and/or student Direct Loan funds;
- Supporting documentation (examples: medical records/statements, police reports, copy of death certificate/obituary, etc.) related to the reasons outlined in your letter (if applicable).

I certify that the information submitted on and with this form is accurate and complete. By signing below, I acknowledge that if my appeal is denied I will not be eligible for any Federal, State, or institutional need-based aid until I have successfully completed at least twelve (12) credits at Fort Lewis College without benefit of Federal financial aid.
