INVISIBLE EMPIRE

IMPORTANT POLITICAL MATTER

My dear Sir:

You have been interested in the work of the Ku Klux Klan and in what it is trying to do. The Klan has a great task before it this fall.

Its enemies are organized to break it if they can. Americanism and Protestantism are now more seriously threatened in Colorado than they have ever been. We believe that we can count on you to help stem the tide of Shoupism, alienism and Romanism.

If you are interested in voting with our White, Gentile, Native-born, Protestant American Organization for the welfare of America, we shall be glad to have your help. Get in touch with the writer or the Kligrapp of the local Klan and they will give you the information concerning the men we have endorsed for office and whom we would like to have your help in nominating.

Sincerely yours, In The  
Sacred Unfailing Bond.

Mr. A. R. Pierce,  
Bayfield, Colorado

Dear Mr. Pierce:—

Your letter inquiring about Roy McBoy  
was duly received.

On the 4th of this May a girl - Gladys Gleicher  
of La Plata, New Mexico, unmarried - gave birth at our  
local hospital to a girl baby. She named Roy McBoy  
of Bayfield as the father of the baby. Her relatives  
sent for McBoy and accused of him of this and fi-  
nally he admitted it and told the hospital  
people he was the father of the child and would  
pay all hospital and doctor bills.

To make the matter worse - if possible - this  
girl at time of beginning last August who was  
only 17 - was an orphan girl and the daughter  
of Roy McBoy's wife's dead sister.

I understand that the baby is at Astec

being kept by some relatives. The girl's people  
have attempted to cover the thing up both on  
her account and on account of her aunt -  
the wife of Roy McCoy but the whole thing  
seems to be gradually coming out.

Very truly yours,  
Carl Douglass
